The purpose of this Invitation for Bids is to establish statewide contracts for the purchase of printers and related services, by Authorized Users¹.

The Department of Information Technology intends to make multiple contract awards in the printer categories listed in Section 2.1. In each category the first award shall be to the responsive and responsible bidder with the lowest evaluated cost and thereafter by evaluated cost rank by responsive and responsible bidder, and according to unique brand families (different from those brand families already determined to receive an award), awarding up to a maximum of three (3) contracts per printer category. It is intended that the individual awards per printer category shall be separate and distinct brand families, in order to offer the Commonwealth the broadest possible choice of printer brands.

Once a bid is selected for award, services, to support OEM warranty and post-warranty maintenance, offered by the bidder may also be awarded.

Any bidder may submit a bid offer in any single category, some, or all categories.

Contract usage or purchase volume is uncertain. An award does not guarantee any purchase by a Commonwealth of Virginia Authorized User. The resulting contract(s) shall be Indefinite Delivery, Indefinite Quantity type contracts (IDIQ).

1.8 Bid Format

Bidders must adhere to the following general instructions in order to bring clarity and order to the bid offer preparation and subsequent evaluation process. The bid offer is to be delivered in several parts, all within a single main response envelope labeled with the Bidder Firm name and the Solicitation number. All parts are to be submitted, both paper/hard copy and separate CD-ROM discs, each clearly and appropriately labeled. The required bid elements are as follows:

1. The first part is the cover sheet of this solicitation document. It must be signed by the Bidder's contractually binding authority, and must be submitted to the issuing Office identified on the face page of the solicitation. The firm's FIN must be entered in the space provided.
2. One complete paper/hard copy of each separate bid offer, including the complete solicitation document, and hard copies from all files submitted on CD-ROM, must be submitted in a sealed envelope labeled "IFB 2002-06 Bid Response – Paper Copy." The paper/hard copy documents will be used for contractual purposes when making a bid award.
3. All printers and related services offered must be listed and priced separately. This "LISTING" spreadsheet must include the *Product Name, Description, Part Number, Bid Price* and Index Price Document location, for pricing verification. A complete product/option(s)/service(s) listing shall consist of all:

 - Bid prices offered (prices must match same offered in the Pricing Spreadsheet)

All document(s) file(s) must also be submitted in an appropriately labeled sealed envelope, in MS Word format on an appropriately labeled CD-ROM disc, in a Table formatted as follows:

<u>Product Name</u>	<u>Description</u>	<u>Part Number</u>	<u>Bid Price</u>

4. Pricing Spreadsheet, (see Section 2.2). The Pricing Spreadsheet (downloaded from the ASD website) is to be submitted on a separate, clearly marked CD-ROM disc. The Pricing Spreadsheet must be delivered in accordance with instructions contained in Section 2.2. Be advised, you are required to

download a MS Excel spreadsheet file for your required use in submitting this cost information. You must follow the instructions given for downloading and supplying required information and costs by inserting data into the spreadsheet file supplied at the ASD website (see Section 1.10). This cost information must be submitted in MS Excel format, and only one CD-ROM disc is required.

5. A redacted bid offer, but only if necessary, for identification of proprietary information. The revised bid offer, with proprietary information redacted, is to be submitted on a separate CD-ROM disc. Please refer to the preceding paragraph # 1.7 for instructions. Data that has been removed must be so noted and there must be an explanation for each item removed as proprietary. NOTE: IT IS NOT ACCEPTABLE TO MARK AN ENTIRE DOCUMENT AS PROPRIETARY. IT IS ALSO UNACCEPTABLE TO MARK THE BID PRICING AS PROPRIETARY. Bidders are referred to the Commonwealth of Virginia Vendors' Manual, section 1.9 for clarification.
6. If not the OEM of printer offered, the Bidder must supply with the bid, a hard copy, written confirmation, signed by a responsible person from the OEM, that states that the bidder is a regular dealer of all OEM products and services offered.

1.10 ASD Website

BIDDERS MUST SUBMIT BID PURCHASE PRICING WITHIN THE PROVIDED MS EXCEL FILE, WHICH BEARS THE NAME OF:

"200206.XLS"

THIS FILE MUST BE DOWNLOADED FROM THE ASD WEBSITE LOCATED AT URL:

<http://asd.state.va.us/bids/200206.htm>

(NOTE/ Download Instructions:

From the above URL, right click on "Spreadsheet", then select "Save Target As ...", provide the file extension "xls" to the file name, and then save it to your desktop or other location. After the file download completes you may use MS Excel to open the file.)

THIS FILE MUST BE USED UNMODIFIED (EXCEPT For Bidder Information and Pricing) FOR SUBMISSION OF ALL BID PRICING ON THE CD-ROM DISC SUBMITTED IN RESPONSE TO THIS SOLICITATION. PRICING not organized in this manner may cause bid to be ruled non-responsive for failing to specifically address these requirements.

The instructions for completing the various printer category worksheets are re-printed here.

- * Supply the requested information in column A, above, by filling in Column B.
- * You may bid in ANY ONE, SEVERAL or ALL Printer Categories listed in worksheets A through G.
- * On subsequent worksheets supply printer purchase pricing and other required information in the appropriate cells.
- * Manufacturer's specification sheets for each printer offered must be supplied, in a PDF file format, and provide either a hyperlink or path to the file location on the CD-ROM disc.
- * The Index Price Document or URL, publicly available, where the index price for the printer/option/service can be found. It must be supplied for each printer and model offered, in Column J.
- * Supply data for labeled Columns A through K, (with the exception of "F", which is calculated by formula).
- * Supply Warranty and maintenance information and costs in Columns L thru R. ("T" is calculated by formula)
- * Sample data is shown in red on each worksheet.
- * Columns calculated by formula are shaded gray.
- * Sub-contractors, if any, must be identified by specific contract function (ordering, billing, services, payment). See T&C # 11.

2.2.2 EVALUATION OF COSTS:

Evaluated Cost (EC) for each printer offered will be each offered printer's purchase price. Where multiple printers are offered by a bidder in a single category, an **Evaluated Cost Average (ECA)** of all individual evaluated costs will be calculated.

Ranking of bidders by relative cost and brand family within printer categories will be ordered in escalating EC or ECA, and also by distinct printer brand family, for the purpose of making multiple awards within printer categories.

2.2.3 CONTRACT PRICING:

Contract Line Item Number (CLIN) Pricing for all printer/options/services offered shall be determined by the application of a Contract Discount, from a publicly available published Index Price document or URL (Internet website). Contractor(s) must, at all times during the term of this contract, make available to the Commonwealth (preferably in electronic form), the current Index Price of each contract item. The Index Price may come from such publicly available published documents as a price list (such as "Retail" catalog pricing) or from a contract, which is still in effect at the time of contract award (such as a "GSA" or other contract) or from a website URL where such documents or pricing are publicly available. Distributor or Reseller catalog pricing is not acceptable for this purpose.

Contractor(s) shall update the Index Price document on a regular basis and provide the updated Index Price document to the Contracts Manager, DIT. The schedule for providing such updates may be at the contractor's convenience dependent upon contractor's frequency of publication of pricing changes (i.e. daily, weekly, monthly, etc.), but in all cases shall, at a minimum, be provided to the Contract's Manager, DIT on a quarterly basis. The current Index Price for each CLIN will be published on the ASD website for the convenience of authorized contract users. At no time shall a lower price than the Index Price less Contract Discount be offered to government customers within the Commonwealth of Virginia. Any promotional or otherwise "special" pricing must be available to all authorized contract users. (Please also refer to T&C #35, page C10.)

ALL CONTRACT PRICES MUST BE NOT-TO-EXCEED PRICES. At no time during this agreement will a Contractor be allowed to exceed the prices offered in the IFB response, except as provided herein. The Master Contract pricing shall therefore be Not-To-Exceed (NTE) pricing.

After contract award(s), DIT will use the NTE prices in the following manner. Printer/options/services Index Prices offered shall be verifiable by referring to the most current Index Price document. All subsequent CLIN price changes for product replacements, whether caused by manufacturer price changes, obsolescence, etc. will be governed by the application of the constant Contract Discount (calculated at date of award) for the life of the Master Contract.

2.2.4 Product Substitutions and/or Additions

The Contractor may substitute or replace products that are of equal or greater value and equivalent or greater specification to existing contract items, as necessary, when the change is required due to the Manufacturer's or OEM's printer/option/service changes. All changes must be reflected by the Index Price document or website URL designated for that item, prior to substitutions of CLINs. Printers/options/services may also be added to the contract as the need arises, upon mutual consent of the Commonwealth and contractor, but only at the Contract Discount for like items or items within the same categories.

2.2.5 Index Price Document or URL Persistence and Contract Administration

It is the intent of the Commonwealth to be able to use all Index Price Documents, their updates and/or website URL(s) supplied with the bid offer for the life of the contract. In the event that any of these cannot be persistently maintained, the contractor must notify the Contracts Manager, DIT of any and all changes to them a minimum of 30 days prior to any changes. For evaluation purposes, the Index Price Document or website URL provided on the printed hard copy will be used to verify and validate the Contract Discount for all printers/options/services initially offered. Should any change to the Index Price document or website URL(s) provided with the bid offer be made prior to award, but after this solicitation's due date, bidder must notify DIT/ASD immediately. E-mail notification is preferred. Please direct e-mail, with **"IFB 2002-06, Index Price Document/URL Change Notification"** in the Subject line, to the attention of John Tackley at the following e-mail address:

jtackley@dit.state.va.us

and also follow up the e-mail message notification with an original hard copy mailed to:

Mr. John Tackley
Department of Information Technology
Acquisition Services Division
110 South 7th Street – East Lobby Floor
Richmond, Virginia 23219

2.3 Intention of Working Configuration

It is the intent of the Commonwealth to receive a complete working printer configuration at the bid price. For Portable and Desktop/PC-attached printers, sufficient memory and an appropriate interface cable, a minimum of 6 ft. in length, shall be included. For Workgroup/network-attached printers, network interface, sufficient memory and a 6 ft. minimum length, Category 5 patch cord shall be provided. For any other printer method of attachment, interface, sufficient memory and an appropriate means of attachment cable must be offered and priced. Any incidental items omitted from bid offers but needed to make a complete working configuration shall be provided by the Contractor and shall be considered included in the printer's offered bid price.

2.4 Bid Evaluation Period

The Commonwealth may elect to conduct testing of products offered before the award of the Contract. All Bidders should be prepared to provide hardware and system driver software for such testing prior to award. Should the COV elect to test a Bidder's hardware and driver software, the Bidder must provide one (1) evaluation unit for each configuration bid. If the COV determines that the Bidder's hardware and/or driver software do not meet the specifications as stated in the IFB, the bid will be rejected. The Bidder shall be liable for all costs associated with the hardware and software submitted for evaluation.

2.5 System Software / Driver Software

Each delivered printer shall be delivered with the most current drivers for all operating systems available from the OEM or other source. The Bidder shall provide each printer with a perpetual, non-transferable and non-exclusive driver software license, and shall deliver all original software media and manuals with the printer. The Authorized user will have the right to make, for internal use, as many additional copies of drivers as it deems necessary.

2.6 Delivery

Delivery shall be 15 days after receipt of order.

2.7 Warranty Maintenance

Please refer to T&C #48 on page C13.

SECTION 3: SOLICITATION INSTRUCTIONS

SOLICITATION INSTRUCTIONS

REV. 11/01/01

1. EXPLANATION TO VENDORS

Any explanation desired by a vendor regarding this solicitation/invitation for bid must be requested in writing and with sufficient time allowed for a reply to reach the vendor before the submission of their bids. PRIOR TO SUBMISSION OF A BID, VENDORS ARE REQUIRED TO READ THESE INSTRUCTIONS, REVIEW THE SCHEDULE, READ ALL TERMS AND CONDITIONS AND CHECK THE ACQUISITION SERVICE DIVISION'S (ASD'S) WEB PAGE AT ([HTTP://ASD.STATE.VA.US](http://ASD.STATE.VA.US)) FOR ANY AMENDMENTS OR CHANGES. THIS SOLICITATION IS SUBJECT TO THE PROVISIONS OF THE COMMONWEALTH OF VIRGINIA VENDOR'S MANUAL WHICH WAS REVISED IN DECEMBER 1998 AND ANY REVISIONS THERETO, WHICH ARE HEREBY INCORPORATED INTO THIS CONTRACT IN THEIR ENTIRETY. A copy of the manual is available for review at the purchasing office, and can be obtained by calling the Division of Purchases and Supply (804) 786-3842, or by accessing the Department of General Services (DGS), Division of Purchases and Supply (DPS) Internet Home Page (www.dgs.state.va.us/dps). Any interpretation required by the State will be in the form of an amendment to the solicitation; SEE PARAGRAPH 11 BELOW. Oral explanations or instructions given before the award of the contract will not be binding. In any conflict arising between this solicitation and the Vendors' Manual, this solicitation shall prevail.

2. PREPARATION OF SOLICITATION

A. Bids shall be submitted on the forms furnished, and must bear an original signature by an individual authorized to bind the company submitting the bid. If erasures or other changes appear on the form, each erasure or change must be initialed by the person signing the bid. Telegraphic or facsimile bids will not be considered. Vendors may not submit multiple bids in a single envelope.

B. Vendors are required to enter their Federal Identification Number [FIN] in the upper right hand corner on Page 1, DIT Form 62. This number must correspond with the FIN number shown on Page 1 of the DIT Vendor Application For Registration Form submitted by a principal or officer of the firm submitting the bid. Failure to enter a number in the space provided or to provide a correct FIN number may delay award or result in DIT determining that the vendor is not registered to conduct business with DIT. It is the vendor's responsibility to provide the correct FIN number and to keep DIT updated as to any changes in vendor's status.

C. The bid form may provide for submission of a price or prices for one or more items. All prices shall be entered in the schedule; DIT Form 62A or 62B. Where the bid form explicitly requires that the vendor bid on all items (e.g., an all or none requirement), failure to do so will disqualify the bid. When submission of a price on all items is not required, vendor should insert the words "no bid" in the space provided for any item on which no price is submitted.

D. Additional bids may be submitted, when in the vendor's judgment they can provide more than one solution which meets the required specifications of the procurement. Additional bids shall be submitted on either a duplicate copy of the bid document or on plain paper and shall be clearly identified with the words "ADDITIONAL BID" written or printed on the face of each additional bid. Additional bids shall not be considered unless detailed specifications or descriptions sufficient to establish quality, utility and merit accompany the bid.

VENDORS SUBMITTING ADDITIONAL BIDS ARE REMINDED THAT THE TERMS AND CONDITIONS WHICH APPLY TO THE ORIGINAL BID SHALL ALSO APPLY TO THE ADDITIONAL BID AND ANY MODIFICATION TO TERMS AND CONDITIONS OF A SOLICITATION OR THE ADDITION OF RESTRICTIVE PROVISIONS BY A BIDDER SHALL BE CAUSE FOR REJECTION OF THE BID.

E. Modification of bids already submitted will be considered if received at the office designated in the invitation for bids before the time set for opening of bids.

3. SUBMISSION OF BIDS

TO BE CONSIDERED, THE BID MUST BE RECEIVED AT THE ADDRESS GIVEN IN BLOCK #6 OF THE SOLICITATION ON OR BEFORE THE DATE AND HOUR DESIGNATED. Vendors must pay particular attention to ensure that the bid is properly addressed. The State is not responsible if the bid is not properly addressed. The State is not responsible if the bid does not reach the destination specified by the date and time identified in block #8 page 1 of the Bid. Sealed bids received after the date and hour identified in block #8 are automatically disqualified, and will not be considered. All bids must be sealed, marked and addressed, to the address shown in block #6 of the Solicitation, and marked on the outside of the vendor's envelope as in the example below. Failure to do so may result in a premature opening of, or a failure to open, the bid.

From:	Name of Vendor	
	Street or Box Number	
	City, State, Zip Code	
	Due Date	Time
	IFB No.	

4. SPECIFICATIONS AND USE OF BRAND NAMES

Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bids to the specific brand, make or manufacturer named. Any item which the State at its sole discretion determines to be the equal of that specified as defined in the Schedule, will be accepted. The award will be made to the lowest responsive and responsible bidder or offeror offering the functional equivalent to the brand name described in the specification. Thus, equivalent products of other manufacturers will be considered only if proof of equivalency is contained in or accompanies the bid.

5. LATE BIDS, MODIFICATIONS OF BIDS OR WITHDRAWALS OF BIDS

- A. Any bids received at the office designated in block #6 of the Solicitation after the exact time specified for receipt will not be considered for award. (See Paragraph 4.10 of the Vendor's Manual for further discussion.)
- B. A bid may be amended and/or withdrawn by a vendor if the office issuing the bid receives the request in writing before the date and hour set forth in the bid form. The request must be signed by a person authorized to represent the person or firm that submitted the bid. Submission of a subsequent bid shall normally constitute the withdrawal of any prior bid submitted by the same bidder or offeror on the same IFB.

6. PUBLIC OPENING OF BIDS

Bids will be publicly opened at the time and date specified on page 1 of the Solicitation document. The content of these solicitations will be made public in accordance with Paragraphs 1.9 and 2.4 of the Vendor's Manual. Bids will not normally be evaluated at the bid opening meeting. All bids will be opened at the location shown on page 1 of the solicitation.

7. SOLICITATION TERMS AND CONDITIONS

The terms and conditions contained in this solicitation are considered mandatory and are the only terms and conditions governing transactions under any contract awarded as a result of this solicitation. If the vendor includes additional terms and conditions on pre-printed marketing sheets, pre-printed catalogues, or other pre-printed materials, then it is understood that those terms and conditions are of no consequence to any resulting contract.

Any other modification, addition, clarification, or change to the mandatory terms and conditions by the vendor shall cause the bid to be rejected.

8. AWARD OF CONTRACT

Bids shall be evaluated and the responsive and responsible bidder offering the lowest price will be awarded the Contract. The State reserves the right to reject any and all bids in whole or in part and to waive any informality in the bids.

9. AWARD NOTICES

Upon the completion of evaluation, the State will either post a NOTICE OF AWARD (NOA) or a NOTICE OF INTENT TO AWARD (NOITA). If a NOITA is used, the notice will be publicly posted ten days prior to the actual award date of the contract. All award notices will be posted on ASD's Web Page ([HTTP://ASD.STATE.VA.US](http://ASD.STATE.VA.US)) and posted in ASD's lobby in written format.

A NOTICE OF INTENT TO AWARD OR A NOTICE OF AWARD will be mailed to any bidder submitting a self-addressed, stamped envelope with their bid.

NOTICES OF INTENT TO AWARD OR NOTICES OF AWARD will be posted in accordance with paragraph 6.3 of the Vendor's Manual.

TELEPHONIC REQUESTS FOR BID RESULTS WILL NOT BE HONORED.

10. FAILURE TO DELIVER

Failure to comply with the terms and conditions of the IFB or to deliver equipment, software or services identified in the solicitation at the price quoted may result in cancellation or rescission of the award/contract by the Commonwealth and may subject the Contractor to removal from DIT's Vendor Registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

11. AMENDMENT OF SOLICITATION

Any amendment or change to this solicitation will be issued in writing and will identify the changes to be made in the bid. All amendments will be posted to the ASD's Web page at (<http://asd.state.va.us>) and posted in ASD's lobby in written format.

If the bid opening date is extended the new date and time will be clearly shown on the face of the amendment.

Bidders will be required to sign and return a copy of the amendment with their bid to indicate that they have received the document and are aware of the changes made.

12. ANTI-COLLUSION CERTIFICATION

By Bidder's signature on the face of this bid, Bidder certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same equipment, software, or services, and is in all respects fair and without collusion or fraud. Vendor understands collusive bidding is a violation of the Virginia Governmental Frauds Act and Federal Law and can result in fines, prison sentences, and civil

damage awards. Bidder agrees to abide by all conditions of this bid and certifies that he or she is authorized to sign this bid for the bidder's firm.

13. DEMONSTRATIONS

The State reserves the right to require the Bidder to demonstrate to the satisfaction of the State, that the products offered will perform in a completely acceptable manner and to meet or exceed the specifications referenced in the solicitation. The demonstration site and time is subject to agreement between the State and Bidder. A Bidder refusing to demonstrate his products bid after determination that he is the apparent low responsive and responsible bidder may be removed from DIT's vendor registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

14. PROTESTS OF AWARDS

All protests of awards shall be conducted in accordance with Chapter 9 of the Vendors Manual.

15. VENDOR REGISTRATION

16. CONTRACT

Any contract which is awarded as a result of this solicitation, offer and award shall be between DIT and the Contractor. No other agency, institution or public body may negotiate in any way with the vendor concerning the items identified in the schedule or any terms and conditions of the contract. All problems associated with the resulting contract shall be brought to the attention of the Contracts Manager, DIT.

Specifications - Any comments or questions concerning the specifications, terms and conditions or any note contained in this solicitation shall be submitted, in writing to the issuing office (See Block #6 DIT Form #62) at least ten (10) days prior to the closing date.

50. RESERVED

51. CONTRACTOR'S WARRANTY/MAINTENANCE POINT-OF-CONTACT

Contractor shall provide a single designated point-of-contact and toll-free telephone number for contact purposes for the use by purchasing entities for Warranty/ Maintenance Service notification requirements. A unique identification number will be established by the Contractor to log, trace, and report such contacts by ordering entities for Contract Warranty service, with reports to be made available, upon request, to the Contracts Manager, DIT.

52. LICENSED SOFTWARE/FIRMWARE

For any software/firmware supplied as an integral component of the Printer/s provided under this Agreement, the Contractor represents and warrants that it is the sole owner of each software/firmware Product or, if not the owner, has received all proper authorizations from the owner to license each software Product, and has the full right and power to grant the rights contained in this Agreement. Contractor further represents and warrants that neither the software Product nor its use will violate or infringe any patent, copyright, trade secret or other property right of any other person.

In no event shall Contractor's remedies for any breach of this Agreement include the right to terminate any license or support services hereunder.

54. CONTRACTOR'S REPORT OF SALES

The Contractor must report the quarterly dollar value, in U.S. dollars and rounded to the nearest whole dollar, of all sales under this Contract by calendar quarter; i.e., January through March, April through June, July through September, and October through December. The dollar value of a sale is the price paid by the user for Products and Services on a Contract order as recorded by the Contractor. The reported Contract sales value must include the Industrial Funding Adjustment, as delineated in paragraph entitled "Industrial Funding Adjustment". The Contractor shall provide this report in hard copy to the Controller, DIT, and a copy of the report to the Contracts Manager, DIT, both within 30 days after the end of each quarterly reporting period as defined herein. The report must show each individual item and quantities purchased and the purchaser. The report is required to be hard copy. DIT may at a later time, agree to an electronic version of the report, however, in lieu of any express agreement by both parties as to the electronic format, the Commonwealth will only accept a hardcopy version. The Contractor shall define "sale" prior to the first reporting period and then shall maintain that definition through out the term of this Agreement. Sale may be defined as; 1) when the Commonwealth pays the purchase price, or 2) when the Authorized User accepts the Products or 3) other as defined by the Contractor.

55. INDUSTRIAL FUNDING ADJUSTMENT

The Contractor must pay DIT, an Industrial Funding Adjustment (IFA). The Contractor must remit the IFA within 30 days after the end of each quarterly reporting period as established in the clause entitled "Contractor's Report of Sales". The IFA equals two percent (2%) of the total quarterly sales reported. Contractor shall remit the IFA together with a copy of the Contractor's Report of Sales as delineated in paragraph above. The IFA reimburses the Commonwealth and defrays the costs for IT procurement and the administration of the subsequent awards. The IFA amount due must be paid by check with identification of "Contract number", "report amounts", and "report period", on either the check stub or other remittance material. DIT may at its discretion, agree to an electronic funds transfer, in lieu of a check, however in the absence of an express written agreement from DIT that validates agreement, then the payment shall be made by check as described herein made payable to the Controller, DIT.

If the full amount of the IFA is not paid within 30 calendar days after the end of the applicable reporting period, it shall constitute a Contract debt to the Commonwealth of Virginia, and the State may exercise all rights and

remedies available under law. Failure to submit sales reports, falsification of sales reports, and or failure to pay the IFA in a timely manner may result in termination or cancellation of this Contract. Willful failure or refusal to furnish the required reports, falsification of sales reports, or failure to make timely payment of the IFA constitutes sufficient cause for terminating this Contract for default.

It is the intent of the Commonwealth to capture 2% of all sales, including temporary reduced pricing, fire sales, one time sales, trade ins, promotional items that have been marked down and all sales to the Authorized User's under this Agreement.
